Susan,

Please be advised that the REOC has tasked, after coordination with Cathy Carter, Matt Loesel to provide data management support to our OSC located at the NM EOC in Santa Fe. Matt is scheduled to report today, and we committed to Cathy that he would be deployed no longer than two weeks.

Additionally, we have contacted Missy Milbeck and Steve Vargo in regard to availability of George Brozowski to provide development support for a 'worst case' radiological plan. No activation is currently planned.
